Banquet Policies

Camden Falls Enterprises, Inc. Additional Policies

Camden Falls management reserves the right to inspect and control all functions being held on the premises. All food and beverage must be purchased through Carmie's Catering, excluding cake. A 19% service charge and present county sales tax will be applied to all food, beverage and services. Contract and deposit are both required to reserve the date. Reserving your date with Camden Falls must require either the deposit of \$900 for date or contract for date. If the deposit of \$900 is received and verbally held on date in question, but contract isn't signed and expires, then you will lose your deposit that was submitted for reserving the date. If your contract is signed and deposit isn't received within 2 weeks and date is cancelled, then you will be responsible for the \$900 deposit plus \$200 fee for retrieving the deposit. Function rooms are assigned according to anticipated number of guests. **Guests are responsible for 100% of the original number of persons booked in the contract if, two weeks prior, no count has been called into our office. The final guaranteed guest count must be phoned in to the Sales and Catering Office by 12pm, two weeks prior for wedding receptions and one week prior for business and industry events.** This is the minimum your group will be charged. Guest counts called in or on contract can never decrease, only increase in count. If no guaranteed count is given to the Sales and Catering Office three business days prior to the event, we will consider your last indication of expected guests as the guarantee. **Camden Falls will set for 5% above you guaranteed number, upon request for Dinner menus only.** Off-the-menu service from Carmie's Grill & Bar is available for parties of 24 or less. If a private room is reserved for an off-the-menu event, a guaranteed number must also be called into the Sales and Catering Office. If less than the guaranteed numbers attend, the host will be billed for the average meal price for those not in attendance. Camden Falls reserves the right to reassign banquet function rooms at its discretion.

Other groups may be utilizing the same room prior to or following your function. It is the client's responsibility to notify vendors contracted (i.e. band, disc jockey, bakery, florist, or decorator) of all policies and guidelines. The earliest time available for vendor set-up is two hours prior to the start of the scheduled event, unless otherwise arranged through the Sales and Catering Office. It is the policy of Camden Falls that all times scheduled in the contract are strictly adhered to and rooms are vacated on schedule. **If a change from the original room set-up is requested the day of the function, a labor charge will be assessed.** Decorations, exhibits, displays, and equipment must be removed immediately following the end of the event. Tapered Candles must be enclosed in glass to prevent fire hazard.

Additional Charges for the following issues:

\$100 Fee -Confetti / Vomiting (Any small beads, paper or material that has the possibility of getting into carpet), Glitter (Loose or on decorations that may flake into the carpet)

\$50 Fee - Damages to any linens (Pen marks, crayon marks, burns in the linen, rips, tears, wax drippings), Carpet stains (Bleach, rips, tears)

If any damage is done to the facility, contracted guests are responsible for full cleaning, repair, or replacement costs. Liability for damages to the premises will be charged accordingly. Scotch tape, nails, pushpins, glitter, or confetti, or potentially damaging fasteners may not be used on walls, ceilings or outside gazebos. Guests agree to be responsible for any damages done on premise during the period of time the premises are under guest control or by any independent contractor hired by a guest. Camden Falls will not assume responsibility for the damage or loss of any merchandise or articles left in the hotel prior to, during, or following your function.

Price quotations are subject to change due to rising food costs or increased costs of operations. Confirmed prices will be quoted 30 days in advance of the function date. Menu tasting is available with confirmed events (advanced arrangements must be made and a nominal fee may be charged).

Northern Hall or Southern Hall minimum guest count for food is 100 adult meals and for the Great Hall minimum is 250 adult meals.

A deposit determined by the Sales and Catering Office is required for all bookings. If the deposit is received and contract expires, event will not be refunded the deposit, due to verbal commitment and hold on date. If billing privileges have been established, a cancellation fee determined by the Sales and Catering Office will apply as a deposit according to cancellation policies below. All function charges must be paid at the conclusion of the function, unless billing privileges have been made at least 30 days in advance with the Sales and Catering Office. For weddings and class reunions, the security fee of \$900 is required to secure your date. An additional deposit of \$1500 will be required 6 months prior for wedding receptions (which will be applied to your ending balance of your reception). If additional deposit is not received on the date due and event is cancelled that deposit is still due. 4-3-2-1 Plan: 4 weeks — minimum guest count (can't decrease), 3 weeks — 1/2 total balance, 2 weeks — total guest count, 1 Week — total balance due for receptions or reunions.
